BOLT-ON GRAPPLE COMPATIBILITY

The Virnig Bolt-On Grapple is designed for use on Virnig buckets that are 60" - 84" wide. It is not guaranteed to work on other brands.

The Virnig Bolt-on Grapple will mount on all the compatible buckets below, but the Loader Capacity still needs to be under 1,800 lbs.

COMPATIBLE VIRNIG BUCKETS

V40 Low Profile Dirt Buckets*
V50 Low Profile Dirt Buckets
V60 Low Profile Dirt Buckets
V50 Utility Buckets
V60 Utility Buckets
V40 Skeleton Rock Buckets
V50 Skeleton Rock Buckets
V60 Skeleton Rock Buckets
V40 Utility Forks

INCOMPATIBLE VIRNIG BUCKETS

All Snow/Light Material Buckets
V60 High Capacity Dirt Bucket
